Citizenship	Caring for the Coastline
-------------	--------------------------

Supporting your child:

You can support your child at home in many other ways. You can talk about the days of the week and months, the changing seasons. Go for walks and look at different types of trees, reading to your child and discussing the changing seasons. These sorts of activities will all prove beneficial and help your child to see the relevance and importance of what they are learning.

Items to remember:

- PE will take place on a Tuesday and Friday. Please ensure that your child has a pair of shorts and a t-shirt in a named bag. This can be left in school.
- Reading books and home/school diaries will be provided and should be sent back to school every day.

If you wish to discuss any aspect of your child's learning, please feel free to contact us.

Thank you,
